

**Pasadena Village Membership  
Annual Fee Structure**

**Annual Fee Structure**

	<b>Individual</b>	<b>Household</b>
Tier A	\$680	\$960
Tier B	\$360	\$480
Tier C	\$120	\$180

All memberships are subsidized in the sense that fees pay only a portion of the Village budget.

All memberships are for a period of one year beginning on the first day of the following month in which the Membership Agreement is accepted by the Village. Membership fees are subject to change on any anniversary date, following approval by the Board of Directors.

Tier A is based on a gross annual income of over \$55,000 a year (or over \$67,000 for a household)

Tier B is based on a gross annual income of less than \$55,000 (or less than \$67,000 for a household)

Tier C is based on a gross annual income of less than \$33,000 (or less than \$40,500 for a household)

Members joining as Tier B & C must submit documentation to verify their gross income. Please send the first two pages of your most recent tax return, or another form of verification, to the Village Office with your Membership Application.

If you have extenuating circumstances (including extraordinary expenses such as in-home care, extraordinary medical expenses, dependent support, etc.) and would like to have the Membership Fee Oversight Committee review your application to receive an exception to the income requirements, please submit your income verification document and a brief explanation of your current situation. The Committee is committed to confidentiality. It will review your application and respond directly to you.

**Payment Plans Available**
